

Thinking about the world of work

- B. Here are ten steps to take in setting up an exhibition. Can you put them into a logical order? While you do this, think about why each step is necessary.

	Advertise the exhibition.
1.	Choose a theme.
	Do the administrative work.
	Provide food and drink.
	Find a location for your exhibition.
	Find other artists to exhibit with.
	Set a date.
	Set prices.
	Set up the exhibition space.
	Think about sales.
