

NOTICE FOR FIRST-YEAR STUDENTS

BSc in Biotechnology – Academic Year 2025–2026

Lab Anatomy (II SEM)– Booking Notice

Students are invited to book the practical activities of “**Lab. Anatomy**” Prof. Mauro scheduled on the following dates:

- **May 12**
 - **May 19**
- 🕒 **Time:** 14:00 – 18:30
- 📍 **Location:** Cell Culture Laboratory, 4th Floor, Spaventa Building

Each group will have a maximum capacity of **15–20 students**.

Students must bring the lab coats assigned during previous activities. Those without a lab coat will not be allowed to participate in the activities.

Please note the following:

- Attendance at the laboratory sessions is **not mandatory**.
- Bookings must be made through the **dedicated reservation form** available on the e-learning platform under the course “**Lab. Anatomy**” (**Prof. Mauro**).
- **No changes will be allowed** after booking. Students who reserve a spot and do not attend **will not be able to recover the session**.
- Priority in group assignment will be given to students who have **attended the theoretical lectures**.

Please ensure you book responsibly.

Thank you for your cooperation.
