INTERNATIONAL PARTNERS

HATCHER+

Hatcher+ is a next-generation, data-driven venture firm that uses AI and machine learning-based technologies to identify early-stage opportunities in partnership with leading accelerators and investors, worldwide.

250,000 DEALS

Our AI, ML, and ERP technologies enable access to the top 1% of deals across all major sectors and geographies.

2,100 INVESTMENTS

Our partnerships with leading accelerators worldwide are enabling creation of a highly-curated portfolio of 1,300 startups.

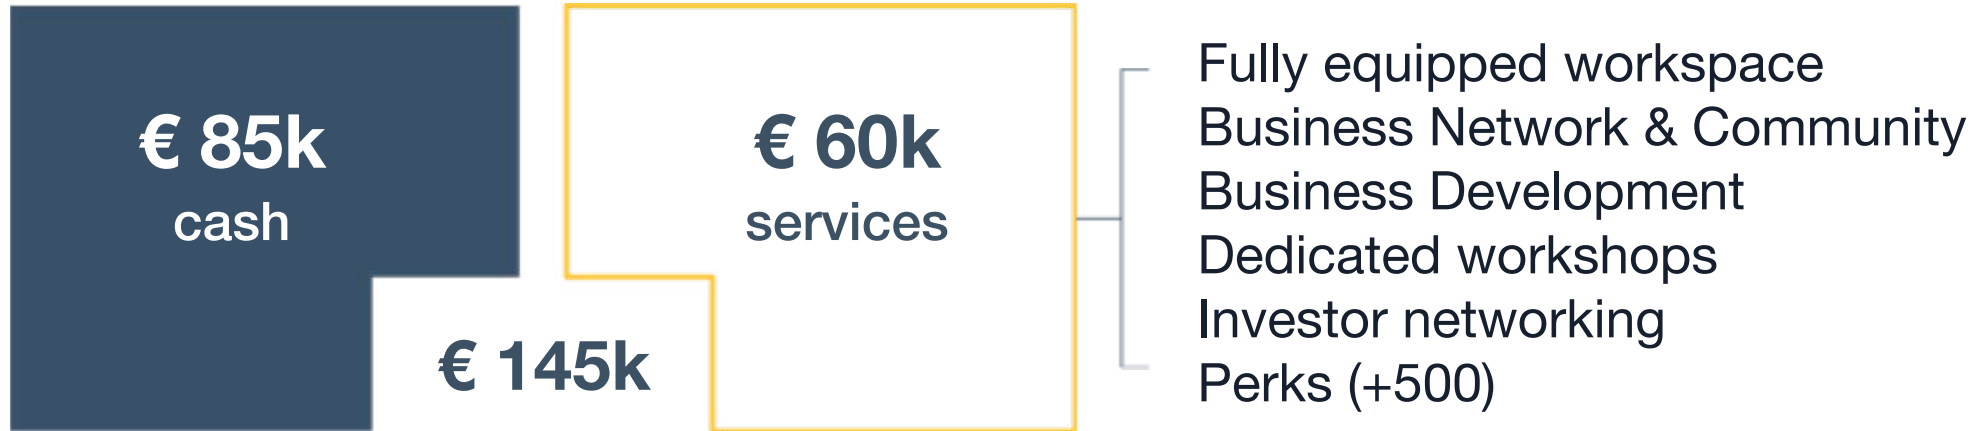

4X BETTER RETURNS

Our resilient investment model is based on quantitative analysis of over 450,000 VC deals across 20 years of investment.

Understanding Open Innovation

2018 Corporate Longevity Forecast: Creative Destruction is Accelerating

S&P 500 lifespans continue to shrink, requiring new strategies for navigating disruption.

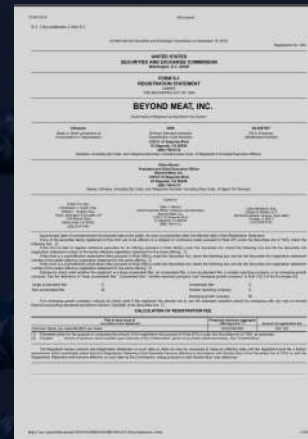

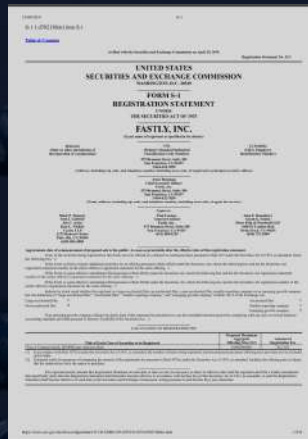

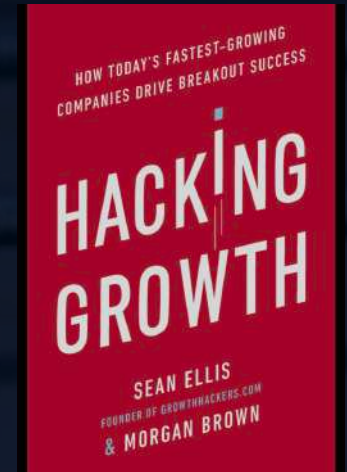

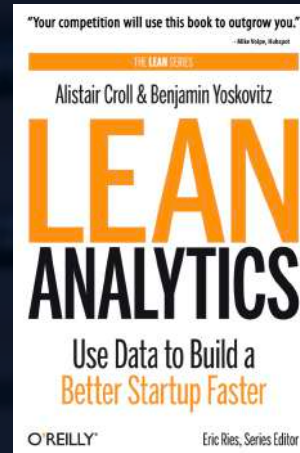

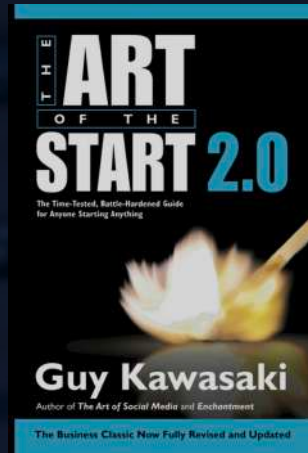

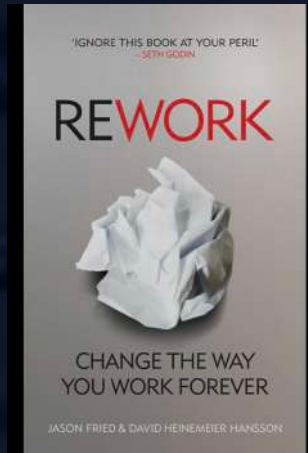

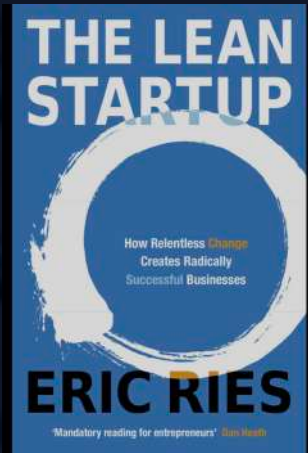

At the current churn rate
75% of the S&P500 will be replaced by 2027
