

Exercise no. 1, Unit 1 – a.y. 2023/2024

Find out the plural form (or forms) of the following nouns belonging to the nomenclature of taxonomy, then give the equivalent (or equivalents) in scientific Italian of each item. Along with the “Notes on Nouns E4BT – part 1”, the various handouts and a bilingual dictionary, use <http://www.oxfordlearnersdictionaries.com/> as well:

Plural form(s)	Italian equivalent(s) (of the singular form only)
----------------	--
