A.A. 2023-2024

Program

The first part is essentially a quick macro refresher focus on economic crisis, we will follow the book 'End This Depression Now' by Paul Krugman

The second part will be on economic crisis in particular the 2007-2008 financial crisis and we will follow the book 'Crisis Economics: A Crash Course in the Future of Finance' by Nouriel Roubini and Stephen Mihn.

We will give a look to developing countries crisis following the book 'Crashed' by Adam Tooze.

Exam

During the course student will present readings.

At the end of the course they will write a short essay that they will present at the exam.
